Dear Student

**REWRITE OPPORTUNITY FOR INFORMATION SYSTEMS 1A (INSY5111) TEST
ORIGINALLY WRITTEN ON 5 MAY 2025**

You are aware that there was an error in the Information Systems 1A (INSY5111) test paper. We acknowledge that it was an error on our side and would like to apologise on behalf of the faculty and the team responsible for the paper. We know how frustrating this is and while we work hard to minimise errors, they do still occasionally occur.

The impact of this error on the assessment has been significant enough that you are being given another (optional) opportunity to write this assessment on 19 May 2025 at 11:00. (Note: For those students who miss the rewrite sitting due to valid reasons as per the concessions allowed, will need to apply via the Student Hub to sit the new deferred sitting date on 30 May 2025 at 8:00.)

The rewrite is optional. If you decide you do not want to rewrite, your existing mark will stand, however if you choose to use this opportunity for rewrite, the mark you achieve for the rewrite will become the final mark achieved for this assessment even if it is lower than your original mark.

Please contact your faculty on campus if you would like to discuss this before deciding whether you want to rewrite the assessment or not.

Please accept our apologies for this inconvenience.

Yours sincerely,

Johan Vorster
